

ALEX COSTELLE

"Hi! My name is Alex, and I am OTR's Development Associate. I started working at OTR in September of 2019, and have loved every minute. My responsibilities include working on fundraising, planning and marketing OTR's fundraising events, researching and applying for grants, lots of behind the scenes administration work such as creating these awesome newsletters, and much much more! I am excited to introduce myself, and I am so proud to be part of the OTR family!" 😊

➔ **What do you like most about your work?**

"I wholeheartedly believe in OTR's mission. It really makes me really happy to be able to help such an outstanding cause."

➔ **What are 3 words that best describe you?**

"Kind, Empathetic, & Enthusiastic!"

➔ **What do you like to do when you're not working?**

"When I'm not working I love spending time with my husband, Jeff, our sweet little baby, Benjamin, and our good boy rescue pup, Remy. I also love getting together with family and friends, trying new restaurants, going to concerts, watching reality TV, and traveling. Of course COVID has put a hold on much of that for now, but I feel very blessed that I am working for Over the Rainbow. They have allowed us to work from home, secured vaccines for our entire staff, and assured us that we have job security in these trying times. I feel extremely lucky to be working here."

➔ **What is one food you can not resist?**

"My mom makes the world's best brownies!"

➔ **What is your favorite OTR event?**

"Celebration hands down! I love a good show tune!"

**"NOTHING BRINGS ME MORE JOY THAN BRINGING THE COMMUNITY TOGETHER TO SUPPORT A GREAT CAUSE."
